## Introduction

Break Through School offers all visitors a warm, friendly, and professional welcome.

Break Through School has a legal duty of care for the health, safety, security and wellbeing of all learners and staff and this is the responsibility of all team members.

We recognise that there can be no complacency where safeguarding and child protection procedures are concerned. We, therefore, require that all visitors (without exception) comply with the following policy and procedures. Failure so to do may result in the visitor being asked to leave the premises.

*KCSIE (2023) states that 'schools and colleges have different types of visitors, those with a professional role i.e., educational psychologists, social workers etc. those connected with the building, grounds maintenance, children's relatives or other visitors attending an activity in school.... Schools and colleges should not request DBS checks or barred list checks, or ask to see existing DBS certificates, for visitors such as children's relatives or other visitors attending a sports day.... Principals should use their professional judgement about the need to escort or supervise such visitors. For visitors who are there in a professional capacity schools and colleges should check ID and be assured that the visitor has had the appropriate DBS check (or the visitor's employers have confirmed that their staff have appropriate checks. Schools and colleges should not ask to see the certificate in these circumstances). Whilst external organisations can provide a varied and useful range of information, resources and speakers that can help schools and colleges enrich children's education, careful consideration should be given to the suitability of any external organisations.'*

## Purpose

The purpose of this policy is to safeguard all learners whilst they are on the premises and when on offsite educational visits, where a visitor may be in attendance. It is important to have in place clear procedures for admittance of visitors to the school which are understood by all staff, visitors and parents/carers and conforms to safeguarding and child protection guidance.

This policy applies to:

- All staff.
- All learners.
- All external visitors entering the site during the school day.
- All of those in school advisory roles.
- All parents/carers.
- Volunteers (including college placement students).
- Other education related personnel.
- Building and maintenance and all independent contractors visiting the premises.

## Procedures

- All visits must be pre-planned.
- All visitors will be provided with access to the safeguarding and child protection policy, e-safety policy, fire safety and evacuation procedures prior to the visit.
- All visitors must provide formal identification on arrival.

- All visitors using the site car park must do so safely and reverse carefully into spaces available.
- On arrival visitors must report to the reception area or the office.
- No visitor is permitted to enter the school via any other entrance other than the front door (main entrance) under any circumstances.
- On arrival all visitors must state the purpose of their visit and who has invited them.
- All visitors will be required to sign the visitor register which is always kept in reception making a note of their name, organisation, who they are visiting and their car registration (if applicable). This register is GDPR compliant.
- Visitors must be shown the emergency exits and assembly point.
- Visitors will be required to sign an acknowledgement of risk on their first visit.
- Visitors will be provided with a visitor badge which must be worn on display until they sign out.
- Visitors will be escorted to their point of contact, or their point of contact will be asked to come to reception to receive the visitor. The contact will then be responsible for them while they are on site.
- Visitors are not permitted to move about the site unaccompanied unless they are registered on the approved visitor list.
- In the case of an emergency, the visitor is required to follow emergency procedures alongside staff and learners.
- Any breaches of the procedure must be reported to the principal.

### **Approved Visitors**

We hold an approved visitor list as part of the single central register (SCR) for visitors who frequently visit the site to undertake work within the school site (including contractors). To qualify for this list the visitor must have demonstrated, prior to the visit that:

- They have a current clear enhanced DBS check and a copy of this has been registered on the school's SCR.
- Visitors on the approved list must follow the same procedures on entry to the premises. A copy of the approved visitors list will be kept in the office.

### **Departure**

On departing the site, visitors must leave via reception:

- A member of staff should escort the visitor to the reception area.
- Enter their departure time in the visitors register.
- A member of staff should retrieve the allocated visitor badge.

### **Unknown Visitors/Unplanned Visits**

Any visitor to the site who is not expected or recognised should be challenged politely to enquire who they are and the purpose of the visit. The visitor should then be escorted to reception and follow the usual procedures for visitors or escorted from the site, whichever is deemed appropriate. If the visitor refuses to comply, they should be asked to leave the site immediately and a senior member of staff informed. The principal will consider the situation and decide if it is necessary to inform the police. If an unknown/unplanned visitor becomes abusive or aggressive, they will be asked to leave the site immediately and warned that if they fail to leave, the police will be called.

### **Those in School Advisory Panel Roles and Volunteers**

All of those in a school advisory panel role and volunteers must comply with disclosure and barring service procedures, completing a DBS disclosure form (if not already held). Thereafter, the visitor's procedures are to be applied accordingly.

It is the responsibility of the principal, or someone deputising in their absence, to ensure that those in school advisory panel roles are provided with this policy. Volunteers will be asked to comply with this policy by the member of staff to whom they planned the visit with e.g., teacher.
