Dear Parents and Carers,

we end Summer 1 term feeling immensely proud of all our learners and staff efforts throughout such a busy term. We have begun our GCSE, Functional Skills and BTEC examination period. Our learners are showing excellent resilience and perseverance, which are key concepts of our unique curriculum. Staff have worked diligently to ensure the wellbeing of all is central and avoiding any unnecessary pressure is placed upon our learners.

We have a few weeks of exams left and appreciate your support with ensuring you read your emails, keeping up to date with what changes this may cause.

Further info can be sought from info@breakthroughschool.co.uk

Special thanks goes out to Jane Shemilt, our Exams Officer and Josh Mwika, Exams Assistant.

We have already had so much fun packed into this half term – our new Positive Behaviour Policy includes a bespoke rewards offering, that our learners have been benefiting from, including trips to cafe's with a person of their choice to accompany them. Trips to our local farm, George Mead; fidget toys, stationery, vouchers and movies have also been firm favourites.

The whole school were recently able to have an experience of a lifetime – climbing the iconic o2 in Greenwich, many overcoming their fear of heights with gusto! Thanks goes to Harjinder Thumber and Ricky Black for organising.

We have more trips coming up, including a special treat planned for our Year 11 leavers – details to follow soon.

Please remind your young person that in order to benefit from our rewards, they need to attend, be punctual and use their strategies to ensure they are engaging in lessons, where possible.

Wow Moments

VISITS TO THE GEORGE MEAD FARM

LEARNER WERE ABLE TO PICK A REWARD OF THEIR CHOICE & FOR THIS LUCKY DONKEY, IT WAS TO VISIT THE GEORGE MEAD FARM AND FEED THE ANIMALS!

INTERVENTIONS
