## Charity starts at School...

Staff and learners had a busy start to the year, acknowledging, learning about and raising awareness for a range of charities and good causes. We have dressed in denim to recognise Jeans for Genes day in Sept. Promoted supporting our wellbeing with the #HelloYellow theme on Mental Health Day ~ Oct 10<sup>th</sup>. We also had a yellow themed picnic, thanks to Louise for sorting 😊

## Message from the Principal

I am so proud of the learners efforts in coping with change, engage with our new Enrichment series, undertake baseline assessments and overcome a spell of germs and bugs. Attendance and punctuality remains at a high. Let's make Aut 2 even better!

**BreakThrough**  
INDEPENDENT SCHOOL

Throughout October, we have been celebrating many Black icons. Staff celebrated diversity more widely, by all bringing in a culinary cuisine for learners to try.

Whilst we never ask learners or families to contribute financially to causes, we hope to raise awareness and open our hearts to the many causes covered.

## Awards Galore!

This term, our learners received a number of awards. These included: Do The Right Thing from Royal Borough of Greenwich, where the Mayor handed out awards for our learners who were nominated for their excellent participation in school life.

Further, some of our Looked After children were recognised for their resilience.

Finally, learners were invited to an ACE party at the Tramshed, Woolwich, to

thank our learners for their participation in the ACE initiative at RBG.

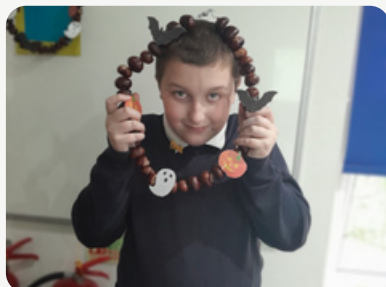

We are proud of each and every one of our learners and take great pride when they are celebrated by staff, who attended all events this term.

## This Half Term in Pictures

Staff were treated to a Wonderful Wednesday Wellbeing event, in the name of sharing food, our wellbeing lead Irene created a cook book with staff favourite recipes!

Learners have been creating sustainable masterpieces by utilising natural objects on a Friday afternoon. We hope families were happy with their conker wreaths last week!

Our Enrichment series includes a half termly gym trip. Learners and staff have thoroughly enjoyed their weekly trips, focusing on mental and physical health.

The Creative Art course continued with amazing depictions of Jean-Michael Basquiat from our talented learners.

## Black History Month

Black History Month allows for the inclusion of Black history within the curriculum, moving beyond a singular narrative to one that reflects the diversity of human experience.

We have been celebrating daily throughout the school via a range of Core Skills' sessions, sharing cultural cuisines and learning about an inspirational icon in our daily briefings.

We know that celebrating Black History Month helps to enrich our curriculum and deepen our understanding and appreciation for those who have contributed to our country both now and in the past.
